

Faery Heart Elixirs what they do: affect you on an emotional/energetic level to make you feel better in a format that will not affect any medications and is non-addictive. In other words o-natural!!

Faery Heart Elixirs ingredients: Bach Flower Essences (vibrations of flowers, plants and trees), organic glycerin (preservative), distilled water and a whole lotta love. Try not to heat them or freeze them as it may affect results!

(Please note the sprays have no glycerin—we didn't want you to get all sticky!!)

Faery Heart Elixirs how to use them: Bang on the bottle to get the vibes going. Put a few drops or as many as needed under your tongue, or in a glass of water. If you bought a spray – well, just spritz away. The remedies will soak in through your skin or if you are using them on your animals, their fur or feathers! You or they will feel a shift emotionally or energetically almost immediately!

Faery Heart Elixirs types available and life applications:

Brave Heart is liquid courage for those stepping out of their own box. Helps belief in oneself and faith that everything will turn out all right!
